

CV

Name: Elisabeth Dalholm Hornyánszky
Telephone: +46 46 12 16 14 (home), +46 46 222 33 42 (job)
e-mail: Elisabeth.Dalholm@design.lth.se
Date of birth: March 15, 1946
Citizenship: Swedish
Sex: Female

Academic degrees

PhD in Architecture, Lund, Sweden 1998
Architect's Diploma, Eidgenössische Technische Hochschule, Zürich, Schweiz 1974

Positions within Lund University

Senior lecturer, Dept of Design sciences	2013-
Senior lecturer, Dept of Design sciences	2006-2013
Senior lecturer, Dept of Architecture, Building Functions Analysis	2000-2006
Research engineer, Dept of Architecture, Building Functions Analysis	1987-1999
Deputy lecturer, Dept of Architecture, Building Functions Analysis	1986-87
Deputy senior lecturer, Dept of Architecture, Building Functions Analysis	1985
Assistant researcher, Dept of Architecture, Building Functions Analysis	1983-87
Teacher, Dept of Architecture, Building Functions Analysis	1979-83
Assistant researcher, Dept of Sociology	1977-78

Research profile

Urbanization and Sustainable Urban Development in Hanoi (project leader)	2010-2014	SIDA
Sound Settlements (project leader)	2010-2012	Interreg IV
Dwellings for students (project leader)	2011-2012	Studentbostadsföretagen
Visualisation of hospital environments	2010-2012	AFA
Watching TV in old age (project leader)	2009-2010	Hjälpmedelinstitutet
PLUS-furniture project (project leader)	2008-2010	Vinnova
BoKlok – good housing for all (project leader).	2006-2008	Ikeastiftelsen
Mixed reality in co-operative design processes (project leader).	2005-2008	Formas
Privatisation of public housing in Hanoi. Upgrading, management and participation issues. Joint research project.	2004-2006	SIDA/Vetenskapsrådet
The recreational home.	2003-2005	Ikeastiftelsen
Sege Park. Mixed reality with tracking – a tool for town planning.	2003-2004	Change@Work
Office communication. The uses of architecture and ICT in workplace co-operation.	2002-2005	Formas
Ideas about “the good dwelling”. An evaluation of the house types built in three Housing Exhibitions in Southern Sweden.	2002-2003	Riksbyggens jubileumsfond
Privatisation of public housing in Hanoi. The impacts on housing quality and social equality.	2002-2004	SIDA
Visualisation and Participation (project leader).	2000-2002	RALF
Design@Work.	1995-99	RALF
Full-Scale Modelling - a tool for designing dwellings and work environments.	1989-95	Formas
The Work Environment at the Weather Forecast.	1985-93	Arbetsmiljöfonden
“Nya Esle”, evaluation of an experimental residential area.	1983-86	Byggforskningsrådet
“Kroksbäckprojektet”. Renewal of a housing area in Malmö	1976-78	Byggforskningsrådet

Scholarships

Per Westlings fond	1992
Riksbyggens Jubileumsfond	1994
Teknikbrostiftelsen	1999
Riksbyggens Jubileumsfond	2000
STINT	2005
Hong Kong University	2006
Riksbyggens Jubileumsfond	2007
